

1. Content of the website

The author is unable to assume any guarantee whatsoever that the information provided is up-to-date, correct, complete or of the required quality. The author cannot be held liable for material damage or intangible damage or loss caused by using or not using the information offered or by using incorrect or incomplete information provided the author is not proven to have acted intentionally or with gross negligence. All information available on this website is subject to change without notice and non-binding. The author expressly reserves the right to modify, supplement or delete parts of the pages or all the information on the website without notification or to discontinue publication either temporarily or definitively.

2. Links

In the case of direct or indirect links to third-party web pages lying outside the scope of responsibility of the author, the author would only be held liable in the event of the author being aware of the content and in the event of it having been technically possible and feasible for him to prevent use in case of illegal content. The author thus hereby declares expressly that the corresponding linked pages had no illegal content on the date on which the link was provided. The author is unable to influence the current or future design or content of the linked pages. Consequently, he hereby expressly distances himself from all content of all linked pages modified after the date on which the link was provided. This statement applies to all links provided within the author's own website and to entries by third parties in guest books, discussion forums and mailing lists set up by the author. Only the provider of the page to which the link points and not the person who simply points to the relevant publication via links can be held liable for illegal, incorrect or incomplete content and, in particular, for damage or loss resulting for using or not using such information provided.

3. Copyright and sign rights

The author has endeavoured to comply with the copyrights of the graphics, sound documents, video clips and texts in all publications, to use graphics, sound documents, video clips and texts which he has made himself or to take recourse to unlicensed graphics, sound documents, video clips and texts. All brand names and trademarks used on this web site, some of which may be protected by third-party copyright, are subject unrestrictedly to the provisions of the relevant, valid sign legislation and the ownership rights of the relevant, registered proprietors. Simply because a brand name or trademark is named, this does not mean that it can be considered that the brand name or trademark is not protected by third-party copyright! The author retains sole copyright to published objects which the author has created himself. Such graphics, sound documents, video clips and texts may not be duplicated or used in other electronic or printed publications without the express consent of the author.

4. Legal validity of this disclaimer of liability

This disclaimer of liability shall be considered as a part of the website content from which reference was made to this page. Inasmuch as parts or individual formulations of this text do not, no longer or do not fully comply with the applicable legal situation, this shall not affect the content or validity of the remaining parts of the document.
